Martinez, Nov. 16, 1909

Dear Johnson:

Here are clippings which show the wild political storm here & phases of the H. H. H. scheme. Please return them when done with them. We have our pamphlet ready for the fight in Congress & will soon send you a lot. Am glad the President & Secretary Ballinger understand the water scheme. Had a fine telling here with them. Have been laid up with a severe grippe cold which has prevented writing you earlier. Hope you are well. The H. H. H. sky now seems brighter.

Ever faithfully Yours

John Muir
